WELCOME TO HAVANA JUNIOR HIGH SCHOOL

Dear Parents and Students,

The faculty and administration would like to welcome you to another year at Havana Junior High School. We hope that you take advantage of the academic and extracurricular opportunities that are provided. Success, to the school, means each student works at his or her potential. High student achievement requires the cooperation of the student, parents, teachers, administration, and the entire school staff. Havana Junior High School provides an appropriate program that gives each student the opportunity to succeed.

This student handbook is an attempt to provide important information to parents and students. If you have additional questions or cannot find the information you seek, please feel free to call the school at 543-6677 or 1-800-642-2092.

If your child has a problem at school, please contact the office, so that you can be advised of the person with whom you should talk to resolve the problem. If the problem is not resolved, first talk to the principal, then to the superintendent, and finally the school board. Most problems can be easily resolved if approached properly. Usually the superintendent and board members are unaware of the problem and cannot solve it without talking to the principal first. Not following this recommended process impedes the process of solving the problem.

The staff is anxiously awaiting the start of the new school year. We know this can be a great year. Remember this is your school; take pride in it, and represent your school well.

Mission Statement

“We will deliver a rigorous, research based curriculum embedded with best practices that focus on literacy and technology skills. By providing the curriculum, instruction, assessments, and support to meet our rigorous academic standards, we will challenge EVERY CHILD EVERY DAY.”

RESPONSIBILITIES OF THE STUDENTS

Students, as citizens of the United States, are guaranteed certain individual rights and have corresponding individual responsibilities. Parents, teachers, administrators, and students have a responsibility, indeed a duty, to respect the rights of all while maintaining a positive educational atmosphere conducive to the teaching and learning process. The concept of balancing the rights of the individual with the rights of society is as valid in the educational community as in the larger community. There are certain special responsibilities required by the citizen who is a student at Havana Junior High:

- 1) *Each student has a responsibility to observe the rights of other individual, whether they are students, parents, teachers, school officials, or other participants in the educational philosophy.*
- 2) *Each student has the responsibility to respect the human dignity and worth of every other individual.*
- 3) *Each student has the responsibility to be informed of and adhere to rules and regulations established by HJHS and the Board of Education.*
- 4) *Each student should assume the responsibility for recognizing and respecting individual and cultural differences*
- 5) *Each student has the responsibility to dress and appear in a manner that meets reasonable standards of health, cleanliness, safety, and propriety.*
- 6) *Each student has the responsibility for maintaining the best possible level of academic achievement and daily attendance.*
- 7) *Each student has a responsibility to refrain from libel, slanderous remarks, and obscenity in verbal and written expression.*
- 8) *Each student must assume responsibility to observe, know, and adhere to the laws of the State of Illinois and the ordinances of the City of Havana.*
- 9) *Each student has the responsibility to preserve school property and exercise care while using school facilities.*
- 10) *Each student has the responsibility to do his/her own work and be accountable for that work.*

DISCIPLINE POLICY

At Havana Junior High School, our goal is to motivate students to become mature, independent, and productive adult citizens who are capable of making independent decisions. This discipline can be learned and taught by realizing that each individual should become responsible for his/her own actions.

Discipline can occur in many forms. It can include praise, appreciation, and recognition for a job well done in addition to consequences for unacceptable behavior. Behavior that interferes with the right of other individuals to learn will result in appropriate consequences. Behavior that is productive will be treated in a positive manner.

Student participation in school-sponsored activities is the discretion of Havana Junior High School Administration.

It is important that each student strive to do his or her best. The faculty and administration will strive to create an appropriate learning environment so that each student can reach his or her highest potential. In striving for this excellence, it is necessary that we receive the fullest cooperation from students, parents, and staff. By doing our best, we will create a school environment that we can all be proud of.

District discipline guidelines and policies are presented in a separate manual.

RECOMMENDED DISCIPLINE PROCEDURES

1. Minor misconduct and minor misbehavior obstructs the orderly operation of the classroom, school, or bus.

Disciplinary Procedures:

There is immediate intervention by the staff member who is supervising the student or who observes the misbehavior. Repeated misbehavior may require a parent/teacher conference or a parent conference with a counselor, and/or an administrator. The staff maintains an appropriate record of the offense and disciplinary action.

Classroom teachers and other staff members are encouraged to refrain from using disciplinary methods that may be physically or psychologically damaging to children such as ridicule, excessive display of temper, etc. Physical restraints may be used when necessary to protect the student or other individuals and/or property from physical harm.

If a student is caught cheating on homework and/or test, the student will receive a "0" for the assignment/test and disciplinary action.

Disciplinary Options:

- Verbal reprimand
- Conference with student
- Conference with parents/guardians
(by phone or in person)
- Behavioral contract
- Counseling
- Withdrawal of privileges
- Silent Lunch
- Detention
- Conference with Principal
- Saturday School
- Suspension
- Expulsion

Gross disobedience or misconduct may occur on school grounds, on a school bus, at a school function, or outside school grounds provided, however that a direct relationship exists between the conduct of the student and the school's educational function.

DETENTION RULES

1. Students in detention must report at 3:05 PM to the detention area and remain until 3:45 PM. Being late will result in an additional detention being assigned.
2. Detentions will not be served on days when there is an early dismissal.
3. Students will be required to be seated, working, and quiet during detention.
4. An unexcused absence from the detention period will result in doubling the days to be served. Further refusal will result in a Saturday School assignment.
5. Students must read or do homework.
6. Students are responsible for arranging their transportation home after detention.
7. Detentions will be assigned by the principal for specific days.

TABLE OF CONTENTS

ATTENDANCE POLICIES & PROCEDURES

All students are expected to attend classes regularly and promptly. Absence from school is the greatest single cause for poor achievement. **The basic responsibility for the consistent attendance of the student lies with the student and the parent. The State Compulsory Attendance Law states that the parent is obligated to see that the student is in school. State Law requires that a student must have a documented reason for all absences after nine days to be considered excused. The State Truancy Department will be involved in all unexcused student absences after nine days.**

The School Code of Illinois, Section 26-1 states:

Whoever has custody of any child between the ages of seven and sixteen years shall cause such child to attend some of the public school in district where-in the child resides the entire time it is in session during the regular school term.

TARDY POLICY:

1. 1st tardy per two quarters will be excused.
2. Additional tardies per two quarters:
 - A) 2nd-3rd Tardy = Verbal Warning
 - B) 4th Tardy= Silent Lunch
 - C) 5th Tardy= Detention
 - D) Any tardy after the 5th tardy results in multiple detentions or a Saturday School. Failure to report to Saturday School Detention will result in discipline as determined by HJHS Administration.

When absences cannot be avoided, these procedures should be followed:

1. The student's absence is to be reported by telephone call to 543-6677 or 1-800-642-2092 by 10:00 AM by the parent or guardian on the same day of the absence. Any absence, which is not reported, may be regarded as unexcused or until the student returns with written notification stating the reason for absence. Students returning to school without having their absence verified by their parent or guardian will be given an unexcused absence. If a student wishes the absence to be changed to excused, he/she must present parental verification the next day he/she attends school.
2. Absences of longer than or accumulation to three days in any given quarter may need a medical excuse from a doctor to be considered excused.
3. If a student leaves school any time during the day, they must check out at the office before leaving. The office will not allow students to leave school unless the office is notified by the parent or guardian to do so. Failure to follow these steps will result in an unexcused absence and possible disciplinary measures.
4. If a student misses all of their morning classes or any afternoon class due to illness, the student is not eligible to participate in any school sponsored extra-curricular activity that day.

EXCUSED ABSENCE: Student absences are considered excused when they are the result of:

1. Illness verified by parent or guardian
2. Doctor or dental visit
3. Participation in a school sponsored activity
4. Observance of a religious holiday. (The student must notify the office in advance of the absence.)

5. Visiting a counselor or administrator
6. Court appearance
7. Death or funeral of a family member
8. Extended absences approved by the office in advance

UNEXCUSED ABSENCES WILL RESULT IN A DETENTION.

TRUANCY

Student attendance is critical to the learning process. Truancy is therefore a serious issue and will be dealt with in a serious manner by the school and district. A child subject to compulsory attendance who is absent without valid cause from such attendance for a school day or portion thereof is considered a truant.

Students who miss 5% or more of the prior 175 regular school days without valid cause (a recognized excuse) are considered chronic truants. Students who are chronic truants will be offered support services and resources aimed at correcting the truancy issue.

If chronic truancy persists after support services and other resources are made available, the school and district will take further action, including:

- Referral to the truancy officer
- Reporting to officials under the Juvenile Court Act
- Referral to the State's Attorney
- Appropriate school discipline

A parent or guardian who knowingly and willfully permits a child to be truant is in violation of State law.

MAKE-UP PRIVILEGES

If a student is absent from class, it is his/her responsibility to make up the work missed. For every day of excused absence, the student has two days to make it up before it becomes a zero. Any work, or tests assigned prior to the student's absence may be due on the first day the student returns or at the teacher's discretion. In cases of prolonged absences, special arrangements for make-up work are to be made with the instructor.

GRADING POLICIES & PROCEDURES

GRADING SYSTEM & HONOR ROLL

The letter system is used in notifying students and your parents concerning student progress in the different subjects. Your grade will reflect your ability and the thoroughness of your preparation. Remember to always do your best!

Grading Scale:

A- Exceptionally good work	90-100%	4 honor points
B- Above average achievement	80-89%	3 honor points
C- Average achievement	70-79%	2 honor points
D- Below average	60-69%	1 honor point
F- Failing	Below 60%	No honor points

Being named to the Honor Roll recognizes students who excel in their subjects. The three honor rolls are: Principal's list = 3.800-4.000, First Honors = 3.400-3.799, and Second Honors = 3.000-3.399.

PROGRESS REPORTS

Student grades are available online anytime through the Information Now website. A link is available on our school's homepage at <http://havanajh.weebly.com>. User names and passwords will be provided for all students and parents and may also be requested by contacting the junior high office at (309) 543-6677.

REPORT CARD

Report cards are issued at the end of each nine weeks grading period. Parents should review the report card with their child and call the school at (543-6677) if further clarification is needed or to schedule a conference with a teacher.

REPORTING STUDENT PROGRESS

The board of education believes that the cooperation of school and home is a vital ingredient to the growth and education of the child. It recognizes its responsibility to keep parents informed of student welfare and progress in school. The board directs the establishments of a system of reporting student progress, which shall include written reports, parent conferences with teachers, and shall require all appropriate staff member to comply with such a system as part of their professional responsibility. The superintendent, in conjunction with appropriate staff members, shall develop procedures for reporting student's progress to parents which:

- utilizes various methods or reporting appropriate to grade level and curriculum content;
- ensures that both student and parent receive ample warning of a pending grade of "failure" or one that would adversely affect the student's status;
- enables the scheduling of parent-teacher conferences at such times and in such places as will ensure the greatest degree of participation by parents;
- ensures a continual review and improvement of methods of reporting student progress to parents.

PROMOTION, PLACEMENT, RETENTION

Following sound principles of guidance, the board discourages the skipping of grades.

The administration and professional staff shall establish a system of grading and reporting academic achievement to parent(s), guardian(s), and students, as well as determine when promotion and graduation requirements have been met. Upon request of either parent of a student whose parents are divorced, copies of report cards, along with other notices and records, must be furnished to both parents by the district.

The criteria for promotion shall be the student's ability to meet district goals and objectives and to perform successfully at the next grade level, rather than age or any other social reason not related to academic performance. Attendance may also be included in these criteria as well as a 1.0 GPA on a 4 point grading scale.

Any students who are not to be promoted shall be provided remedial services. This service may include a summer school program, tutorial sessions, modifications of instructional program, and retention. Evaluation records for the current year shall be maintained for each student in their respective schools.

The final grade, assigned by the teacher cannot be changed by a district administrator without notifying the teacher. Reasons for changing a student's final grade include:

- a miscalculation of test scores;
- a technical error in assigning a particular grade or score;
- the teacher agrees that the student may do an extra work assignment and its evaluation impacts the grade;
- an inappropriate grading system used to determine the grade;
- an inappropriate grade based on an appropriate grading system.

Should a grade change be made, the administrator making the change must sign the changed record.

PROMOTION REQUIREMENTS

1. The 8th grade promotion ceremony is not an ending point but a continuation of a student's educational process as they move into young adulthood at the high school.
2. The 8th grade promotion ceremony is a social function of the community that reflects completion of standards that would confirm this continuation at the high school.
3. Therefore, for an eighth grade student to participate in this ceremony, he/she would need to carry a 1.0 GPA out of a 4.0 grading scale at the time of the promotional ceremony practice. The administration will check the records in the office and notify students and parents before participation in the promotional ceremony and practice can be started.
4. The Illinois and United States Constitution test will be given at the 7th grade level and must be passed prior to receiving a certificate of promotion.
5. Students are expected to pass all subjects and attend school regularly. Retention of a student is a serious decision that needs to be made after careful review of academics, chronological age, attendance, and maturation of the child being considered.

CHEATING

Any student caught cheating, in any form, will receive a zero for the assignment/test. Disciplinary action will also be issued. Additional incidents will lead to more severe disciplinary measures.

BUS TRANSPORTATION GUIDELINES

First Student - (309)543-3036

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Parents will be informed of any and all inappropriate student behavior on a bus. Parents are encouraged to discuss bus safety and appropriate behavior with their children before the beginning of the school year and regularly during the year.

In the interest of the student's safety and in compliance with State law, students are expected to observe the following rules:

1. Choose a seat and sit immediately upon entering the bus. Do not stand in the entrance or in the aisle.
2. Do not move from one seat to another while on the bus.
3. Keep all parts of the body and all objects inside the bus.
4. Loud conversation, singing, boisterous conduct, unnecessary noise or profanity is not allowed.
5. Enter and exit the bus only when the bus is fully stopped.
6. All school rules apply while on the bus, at a bus stop, or waiting for the bus.
7. Use emergency door only in an emergency.
8. In the event of emergency, stay on the bus and await instructions from the bus driver.
9. Good behavior and behavior that will not distract the bus driver from operating the bus safely is required. Crowding, pushing, scuffling, and other needless commotion are grounds for disciplinary action.
10. Do not open windows.
11. Keep the bus neat and clean.
12. Athletic footwear equipped with cleats or spikes are not allowed on the bus.
13. Inappropriate behavior will be reported to school authorities and failure to observe safety rules may result in suspension from bus services.
14. Be waiting at your bus stop on time.
15. Never tamper with, damage, or deface anything in or on the bus, or any of the bus or school equipment.
16. Keep book bags, books, packages, coats, and other objects out of the aisles. Keep all body parts clear of the aisles when seated.
17. Eating is not permitted on the bus.
18. Parents will be liable for any defacing or damage students do to the bus.

Students may be suspended from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct. If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact First Student at (309)543-3036.

RIDING THE BUS TO OUTSIDE ACTIVITIES

All students riding the bus to school activities must return the same way. Failure to comply with this procedure will cause a student to forfeit his/her privilege of riding the bus. The only exemption: a note is presented to the supervising teacher/coach prior to departure for the event stating that the student will not be riding the bus home. Certain coaches may have a form for parents to sign.

STUDENT HEALTH & WELLNESS GUIDELINES

HEALTH SERVICES

If you require first aid, report to your teacher or the office immediately. If you are ill, you must report to the office to call your parents/guardians. You must not leave the building because of illness without authorization from the office.

SUDDEN INJURY OR ILLNESS

In the event of sudden injury or illness, one should call 911 (Emergency Services) and then notify staff member and the office immediately.

SIXTH GRADE PHYSICALS

All sixth grade students and transfer students must have a complete current physical exam on file in the school office by October 1st of each school year. State law prohibits a student from attending school until one is completed. An updated shot chart must accompany a physical before it will be considered complete.

COMMUNICABLE DISEASES

A student that contracts a contagious disease or condition, such as pink eye, chicken pox, ringworm, impetigo, or pediculosis (head lice) will be sent home from school and must remain home until the condition or disease is corrected. According to the Health Department, it is recommended not to return your child to school until he/she has been free of fever for 24 hours. According to the Illinois School Code, students who have contracted chicken pox may return to school after missing six school days. Cases of communicable diseases and contagious infections must be reported to the school.

VISION AND HEARING SCREENINGS

Vision Screening services shall be prompted annually for all preschool children 3 years of age (or older); kindergarten, second and eighth grades; all special education students; students referred by teachers; and transfer students. Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

MEDICATION FOR STUDENTS

Students without previous approval from the office and school nurse should carry no medication of any type. Prescription and non-prescription release forms are available at registration, in the office, and on our school website at <http://havanajh.weebly.com/>.

Every student bringing medication to school needs to check in the office and with the nurse to ascertain need and use of this form. ***Medication examples include, but are not limited to, cough drops, aspirin, allergy medications, asthma inhaler, epi-pens, and all prescription medicines.***

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours, they must request that school dispense the medication to their child/ward and otherwise follow the District's procedures and dispensing medication.

No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription on school grounds or at a school-related function other than as provided for in this policy.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

GUIDANCE SERVICES

The guidance counselor is available to assist students and teachers with problems that arise from day to day. Students are encouraged to use these services. Students should stop by the guidance office to arrange an appointment. The guidance counselor will discuss and listen, in a confidential manner. Help can be received in resolving conflicts, difficulty in a subject, and/or experiencing personal problems.

PREVENTING BULLYING, INTIMIDATION, TEEN DATING VIOLENCE & HARASSMENT

Bullying, intimidation, teen dating violence and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors is an important school goal.

Bullying on the basis of actual or perceived race, color, nationality, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic is prohibited in each of the following situations:

1. During any school sponsored education program or activity.
2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school sponsored or school sanctioned events or activities.
3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.

For purposes of this policy, the term bullying means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student in reasonable fear of harm to the student's person or property.
2. Causing a substantially detrimental effect on the student's physical or mental health.
3. Substantially interfering with the student's academic performance.
4. Substantially interfering with the student's ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying, intimidation, teen dating violence and/or harassment may take various forms, including without limitation: threats, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of

bullying. For purposes of this policy, the term bullying includes harassment, intimidation, teen dating violence, retaliation, and school violence.

A student who is being bullied is encouraged to immediately report it orally or in writing to the District Complaint Manager, Nondiscrimination Coordinator or any staff member with whom the student is comfortable speaking. Anyone who has information about actual or threatened bullying is encouraged to report it to the District Complaint Manager, Nondiscrimination Coordinator or any staff member. The school will not punish anyone because he or she made a complaint or report, supplied information, or otherwise participated in an investigation or proceeding, provided the individual did not make a knowingly false accusation or provide knowingly false information. The school will protect students against retaliation for reporting incidents of bullying, intimidation, teen dating violence or harassment, and will take disciplinary action against any student who participates in such conduct.

STUDENT WELFARE-SEXUAL HARASSMENT

The school board is committed to creating a positive learning environment for all of its students and employees and will not tolerate sexual harassment.

Sexual harassment consists of verbal or physical behaviors related to a person's gender and which creates an intimidating, hostile, or offensive environment. Such behaviors include, but may not be limited to, unwelcome sexual advances, request for sexual favors, and other verbal or physical contact of a sexual nature when submission to such conduct is made either explicitly or implicitly a term of condition of a student's academic advancement, or submission to or rejection of such conduct by a student is used as the basis for academic decisions affecting said student.

Sexual harassment also consists of unwelcome verbal or physical conduct which interferes with an individual student's work or academic performance or performance in co-curricular activities or other district programs. Such harassment is prohibited both between employee and students and from student to student. Such harassment as visual displays of degrading sexual images, sexually suggestive conduct or banter, or offensive remarks of a sexual nature are expressly prohibited. Non-sexual conduct, such as intimidation, hostility or rudeness or name calling, is abusive and therefore harassment and is expressly prohibited. All instances of sexual harassment should be reported to an instructor or the principal.

Grade points are assigned as follows based on quarter grades: 1 point for every D grade and 2 points for every F grade.*

EMERGENCY PROCEDURES

Emergency procedures are practiced and revised in accordance with the School Code and on an annual basis.

Students

STUDENTS RIGHTS PROCEDURE

Explanation:

A grievance is a difference in opinion raised by a student or group of students involving any of the following: (1) the meaning, interpretation, or application of established policies; (2) difference of treatment; or (3) application of the legal requirements of civil rights legislation. This procedure is not intended to limit the option of the district and a grievant(s) to resolve any grievance mutually and informally. Hearings and conferences under this procedure shall be conducted at a time and place that will afford a fair and equitable opportunity for all persons.

The grievance procedure is not required if the grievant(s) prefers other alternatives such as the Office of Civil Rights (OCR) or the courts. Due process shall exist throughout the procedure with the right to the following: (1) representation; (2) present witnesses and evidence; (3) confidentiality; (4) review relevant records; and (5) proceed without harassment and/or retaliation. More detailed information is available in the offices of the superintendent, building principal, and coordinator for equal opportunity. Time limits refer to when school is in session.

Step I - The student(s) and/or parent(s) should discuss the matter with the person(s) directly responsible for the grievance issue within fourteen (14) days of the time when a reasonable, alert person should have been aware of the event giving rise to a grievance. An oral response must be made within five (5) days.

Step II - If the problem is not resolved, the grievance should be referred informally to the principal. A meeting must be held within five (5) days from notification of referral and an oral response made within five (5) days.

Step III - If the grievance is still not resolved, it should be submitted in writing within ten (10) days to the Title IX coordinator. The grievance should be described as specifically and completely as possible. A thorough investigation of the issue will be documented. Extra time, if needed, can be mutually agreed upon. A meeting must be held between the grievant and district representative within ten (10) days and a written response made within five (5) days.

Step IV - If a satisfactory solution is not reached, the grievant(s) may appeal the issue in writing to the office of the superintendent within ten (10) days from the receipt of the written response. A copy shall be given to both parties for possible future reference.

Step V - If the issue is not satisfactorily resolved on Step IV, the grievant(s) may appeal the grievance in writing to the school board within five (5) day from the receipt of the written response. The board shall consider the appeal with sixty (60) days and a written response shall be given with five (5) days.

DIRECTIONS

Each step of authority shall acknowledge in writing the date of receipt of the written grievance with the statement that the issue will be considered promptly.

By Step III, the grievance must be submitted in writing, dated and signed with the name of the attendance center and the grade level of the grievant(s). The issue should be described as specifically and completely as possible. Include the name of anyone who will represent the grievant(s). A statement of possible relief necessary to resolve the issue should be offered.

If the issue is of the type that would require a decision from higher authority, the facts surrounding the grievance should be compiled in writing and submitted to the proper level of authority, operating through appropriate channels. All levels of authority shall give immediate attention to the grievance issue, being aware of the specified timeliness. Copies of the written answers to the grievant(s) shall be submitted to the superintendent, building principal, and Title IX coordinator. This response shall contain a summary of the evidence determined, the conclusion(s) reached (with reasons), and shall be delivered to each grievant(s). If hand delivery with receipt cannot be made, registered mail shall be used.

Student rights are protected by the 1st Amendment of the U.S. Constitution.

TELEPHONE PRIVILEGES

Students will not be called from classes to the phone by the request of parent or guardian except in the case of emergency. Necessary messages will be delivered to students at a convenient time.

1. Report an illness
2. Detention
3. Emergencies deemed necessary by staff members

Calling for homework, band instruments, and P.E. clothes will not be permitted. Phone usage will require a pass signed by a staff member. Our goal is to help the students learn a sense of responsibility.

VISITORS POLICY

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest

A student who believes that his/her System use privileges have been wrongfully limited may request a meeting with the building principal to review the limitation. The decision of the building principal shall be final.

Refusal to follow these expectations will result in the temporary loss of privileges at the discretion of classroom Teachers/Administration/ Internet Technology Coordinator

Discipline for off-site use of electronic technology which disrupts or can reasonably be expected to disrupt the school environment

CELL PHONES & ELECTRONIC DEVICES

Students may not use cell phones and electronic devices (tablets, iPads, etc.) during the school day. Cell phones electronic devices will need to be shut off during the educational hours of the day and kept in the student's locker.

Students may only use their phones before school and after school, unless given special permission by an educator or the administration. Since we are a 1:1 school, every student has been assigned their own computer to access the internet for educational purposes and therefore may not bring their own device to do so.

Staff and Administration will take the students phone for the day if the student has it out when not authorized to do so. If it happens a second time, the phone will be locked in the office until the student's parents come to pick up the phone. After a parent has come into to the office to pick up a phone or electronic device, the parent will be asked to not allow the student to bring the device to school for the remainder of the quarter. If a third offense would happen within the school year the students cell phone or electronic device will remain home for the rest of the school year.

A student may not use any other electronic device unless given special permission by the administration. If not followed the item will be confiscated and general disciplinary procedures will be followed.
